I am really happy to part of the Chibi Manga Team since I was 10. I am already a fan of anime & manga. Now that I am 21, the fascination inside hasn't changed a bit. It grows even more! For the 4th year anniversary of Chibi, I can say that we have come this far. So let's continue sharing stories and touching the hearts of our readers! May we be an inspiration to everyone that same day these manga stories that we scan, type and proof read may also happen to you in real life. Who knows? Godspeed Chibi Manga! :)
